# OSD DECLASSIFICATION INSTRUCTIONS ON FILE

MEMORANDUM FOR THE ASSISTANT SECRETARY OF DEFENSE
(INTELLIGENCE)

SUBJECT:   Management of Intelligence Operations

With the objectives of further improving the management of
intelligence operations for which the Secretary of Defense
is responsible, I have decided to establish under your
chairmanship a committee consisting of the Director of NSA,
the Director of DIA, and the Service intelligence chiefs.

I expect the committee to recommend to me such management
changes as it considers desirable to increase the effective-
ness of the intelligence process within the Department and
to oversee the implementation of approved recommendations.
I am particularly interested in obtaining the optimum use of
available manpower and other resources.

In addition, the committee should consider and recommend
measures to make the intelligence product fully responsive
to the needs of the Secretary of Defense and other top level
consumers.

The committee should meet at approximately monthly intervals.
Participation of other DoD offices should be obtained as you
consider appropriate.

Please provide me with a brief written review of the accom-
plishments and recommendations of each meeting.

W. P. Clements Jr.
